Treasurer's Report: \$7801.72

Secretary's Report: Deferred.

OLD BUSINESS:

Bailey Meadows: Bill Meyer reported that the Bailey Meadows development plans have been revised, reducing the number of dwellings from eight to six, located at the front of the parcel.

NEW BUSINESS:

Future Meeting Dates: August 20, 1994 (prior to Labor Day festivities); November 19, 1994; February 18, 1995; April 15, 1995; May 27, 1995 (Annual Meeting).

Annual Newsletter: Bruce Graves and Bill Meyer have volunteered to produce next year's annual newsletter.

Mendenhall Ranch Water Project: Bob Thicksten received and distributed information on the Vista Irrigation District and City of Escondido Mendenhall Ranch Project, including notification of a Public Consultation/Planning Meeting scheduled for Thursday June 16, 1994.

Bob Thicksten made a motion, seconded by Tom Burton and approved, that we get in touch with Brian Mooney and Associates to see if Brian will represent us at this meeting.

Tom Burton made a motion, seconded by John Tainer and approved, that the PMPO allocate \$1500 towards the costs of representation by Brian Mooney and Associates.

Ray Carpenter proposed that we write our concerns down and get Brian Mooney to package it into an official letter.

Concerns:

Light pollution

100 times more water use than present

No public participation

What protections for Palomar area?

Dewatering

Earthquake

Historical precedents

Damage to streambed

Riparian damage

Impact from test

Impacts difficult to assess and associate

Biological and other environmental impacts

Existing commercial and private use

Mining vs. collecting

What prevents similar projects?

Drainage area 20,000 acres, ranch only 426 acres

Water Committee: Tom Burton, Bob Thicksten, Bob Carlyle, John and Nancy Moriarty, and Mike Pique will make up the new Water Committee. Bill Meyer will ask George Ravenscroft if he is also willing to serve on this committee. Tom Burton will chair the Water Committee, and Bob Thicksten will be Vice Chair. Tom Burton will contact Brian Mooney Associates to have Brian Mooney attend the meeting. A motion was passed that if Brian Mooney is unable to represent us, Tom will contact someone else. The Water Committee will meet immediately following the
